Notice of Insurance Information Practices

We appreciate you applying for insurance with our company.

This notice explains our information practices. It describes the information we need, possible sources, reasons for collection and how your data is kept confidential. This notice also tells how we process your application. Please keep this notice for your records. The word "you" in this notice means the proposed insured.

Overview

Your insurance application contains specific personal questions about you. We need your answers to decide if you qualify for coverage. If you qualify, we determine the coverage for which you are eligible and the cost. This process, known as underwriting, takes into account factors such as physical and mental conditions, medical history, income, occupation, age, and hobbies. Underwriting makes it possible to keep rates fair.

Sources and Types of Information

You are the primary source of personal data. We may call you to verify data on your application, or to obtain more data. We may ask you about your age, medical history, occupation, income, habits, hobbies and other personal characteristics. We or a consumer credit reporting agency we hire may contact other sources for information about your character, general reputation, finances, personal characteristics, avocations or mode of living, whichever is applicable, including: (1) spouse, (2) roommate, (3) accountant, (4) lawyer, (5) employer, (6) friends, neighbors and associates, (7) other persons who know you well, (8) insurance companies to which you may have applied for insurance in the past, (9) MIB, Inc., (10) banks you have relationships with, (11) consumer reporting agencies, and (12) state and federal courts. We may also contact your doctor, hospital or other health care provider to clarify your medical history. We may ask that you have medical exams and tests.

Proper underwriting of your application may require use of an investigative consumer report obtained from a consumer credit reporting agency. The agency would collect information from the same sources listed above and would prepare a written report on the same topics described in the previous paragraph, including your credit, driving, court, and medical histories. Information obtained through consumer reporting agencies will be furnished to you according to the provisions of the Fair Credit Reporting Act. You have a right to see and obtain a copy of any investigative consumer report made. Upon written request, we will tell you if a report is made. We will provide the name and address of any outside agency who prepares the report.

You may ask that you be interviewed if we request this report. Data collected and retained by a consumer reporting agency may be disclosed to other insurance companies having proper authorization.

Our Use of Information

We will attempt to keep your data confidential. It will be seen only by employees and agents of Principal Life Insurance Company who underwrite and administer your coverage. We may also provide data to: (1) MIB, Inc.; (2) other insurance companies, if you authorize release of the data to them; (3) our reinsurers, if needed to secure reinsurance; (4) federal and state agencies and others if required by law; (5) our research personnel (anonymously) to help market our products.

Access To Your Data

Upon your written request, we will provide you with the nature and scope of your personal data in our records. You must give us proper identification. We will respond to your first request within 30 days from the date of receipt. If you are requesting a copy of an investigative consumer report prepared by a consumer reporting agency, we will provide that report within 5 days of receipt of your request. You may be charged a fee for any copies of your data. Medical data will be disclosed to a doctor of your choice, unless you instruct us to send the medical data directly to you. (Medical information received from doctors and other health care providers may be prohibited from redisclosure.) You have the right to see your nonmedical data and obtain a copy. You have the right to correct or amend any data in your file. Any request for correction or amendment must be in writing. If we agree with you, we will notify anyone we may have given such incorrect data. We will also delete data from your file if we agree it is incorrect. If we disagree with your correction or amendment, we will give you our reason. You may respond in writing listing the basis on which you dispute the correctness of the data. Your response will be added to your file.

Upon written request, we will tell you the name of any person to whom we may have given your data. You should direct all requests to: Disability Insurance Underwriting Officer, Principal Life Insurance Company, Des Moines, Iowa 50306-3455 (Telephone 1-800-247-9988, extension 83797).

MIB Pre-Notice

Information regarding your insurability will be treated as confidential. Principal Life Insurance Company or its reinsurers may, however, make a brief report thereon to MIB, a not-for-profit membership organization of insurance companies, which operates an information exchange on behalf of its Members. If you apply to another MIB Member company for life or health insurance coverage, or a claim for benefits is submitted to such a company, MIB, upon request, will supply such company with the information in its file.

Upon receipt of a request from you, MIB will arrange disclosure of any information it may have in your file. Please contact MIB at 866-692-6901 (TTY 866-346-3642). If you question the accuracy of information in MIB's file, you may contact MIB and seek a correction in accordance with the procedures set forth in the federal Fair Credit Reporting Act. The address of MIB's information office is Post Office Box 105, Essex Station, Boston, Massachusetts 02112.

Principal Life Insurance Company, or its reinsurers, may also release information in its file to other insurance companies to whom you may apply for life or health insurance, or to whom a claim for benefits may be submitted.

If an event giving rise to a claim occurs at any time before physical delivery and acceptance of a policy(ies) by the owner, the claim will be considered solely under this Receipt even if a policy(ies) is issued. If any provision of this Receipt is unenforceable under state law, all other terms and conditions shall continue in full force and effect.

Conditions Precedent if a premium deposit is submitted with this application(s):

All the following conditions must be fulfilled exactly. Otherwise there is NO insurance under this Receipt and the Receipt is void:

All the following conditions must be fulfilled exactly. Otherwise there is NO insurance under this Receipt and the Receipt is void:

1. On the Start Date, the Proposed Insured must be insurable, as determined by our underwriters under our underwriting guidelines then in effect. If a condition affecting such insurability existed in fact on the Start Date, it shall be considered in the determination of insurability.
2. All statements of material fact are included in Part(s) A, B, and C of this application(s), any supplemental form(s), and medical questionnaire(s) that become part of the policy(ies) and such statements are correct, true, and complete.
3. Documentation authorizing payment of premiums, which is acceptable to the Company, must be signed, dated, and submitted with this application(s), and this Receipt must be issued at the same time.
4. Documentation authorizing payment of premiums and acceptable to the Company must be received in our Home Office.

Limitations:

1. Except as limited by this Receipt, our liability is governed by the terms of the policy(ies) including but not limited to all policy(ies) riders and endorsements.
2. No benefit is payable under this Receipt and this Receipt is void, if there is any incorrect, untrue, incomplete, or omitted statement of material fact in Part A, B, or C of the application(s), any supplemental form, or medical questionnaire(s) that becomes a part of the policy(ies). No knowledge of any fact on the part of any agent, broker, licensed representative, medical examiner, telephone interviewer, or other person shall be considered knowledge of the Company unless such fact is stated in the application(s).
3. **Disability Income, Catastrophic Disability Benefit, Overhead Expense, or Disability Buy-Out** – For any claim that occurs at any time after the Start Date and before physical delivery and acceptance of a policy(ies) by the owner, any Disability Income, Catastrophic Disability Benefit, Overhead Expense, or Disability Buy-Out maximum benefit payable will be the lesser of:
    - The amount of benefits applied for in the application(s);
    - The amount of benefits that would be offered subject to our then current underwriting guidelines and practices; or
    - $5,000 per month (Disability Benefit and Social Insurance Substitute Benefit); $5,000 per month (Overhead Expense Benefit); $2,500 per month (Catastrophic Disability Benefit); $500,000 (Disability Buy-Out Maximum Aggregate Benefit).

    The coverage available under the Conditional Receipt, such as the elimination period, the benefit period, the policy(ies), policy(ies) riders, and riders related to exclusions, limitations, modifications, or enhancements of coverage will be based on what we would have approved or offered to you subject to our then current underwriting guidelines and practices.

Premiums:

If a policy(ies) is issued from this application(s) bearing the same date as this Receipt, and the policy(ies) is accepted by the proposed owner, we will apply the premium deposit to the first premium due for such policy(ies). If no policy(ies) is put in force but a benefit is paid under this Receipt, we will keep the earned portion of the premium deposit and refund the balance, if any, to the premium payer. If no policy(ies) is put in force and no benefit is paid or if a policy(ies) is issued differently then applied for that results in a premium refund, the premium deposit or excess premium will be refunded to the premium payer. If this Receipt is issued for more than one type of insurance, the provisions of this paragraph shall apply separately with respect to each type.

ALL PREMIUM CHECKS MUST BE MADE PAYABLE TO PRINCIPAL LIFE INSURANCE COMPANY – DO NOT MAKE CHECKS PAYABLE TO THE AGENT/BROKER/LICENSED REP. OR LEAVE THE PAYEE BLANK.

NOTICE AND CONSENT FOR BLOOD TESTING WHICH MAY INCLUDE AIDS VIRUS (HIV) ANTIBODY/ANTIGEN TESTING

Unless precluded by law, tests may be performed to determine the presence of antibodies or antigens to the Human Immunodeficiency Virus (HIV), also known as the AIDS virus. The HIV antibody test that we perform is actually a series of tests done by a medically accepted procedure. The HIV antigen test directly identifies AIDS viral particles. These test are extremely reliable. Other tests which may be performed include determinations of blood cholesterol and related lipids (fats) and screening for liver or kidney disorders, diabetes, and immune disorders.

All test results will be treated confidentially. They will be reported by the laboratory to the Insurer. When necessary for business reasons in connection with insurance you have or have applied for with the Insurer, the Insurer may disclose test results to others such as its affiliates, reinsurers, employees, or contractors. If the Insurer is a member of the Medical Information Bureau (MIB, Inc.) and if the test results for HIV antibodies/antigens are other than normal, the Insurer will report to the MIB, Inc. a generic code which signifies only a non-specific blood test abnormality. If your HIV test is normal, no report will be made about it to the MIB, Inc.. Other test results may be reported to the MIB, Inc. in a more specific manner. The organizations described in this paragraph may maintain the test results in a file or data bank. There will be no other disclosure of test results or even that the tests have been done except as may be required or permitted by law or as authorized by you.

If your HIV test results are normal, no routine notification will be sent to you. If the HIV test results are other than normal, the Insurer will contact you. The Insurer may also contact you if there are other abnormal test results which, in the Insurer's opinion, are significant. The Insurer may ask you for the name of a physician or other health care provider to whom you may authorize disclosure and with whom you may wish to discuss the results.

Positive HIV antibody/antigen test results do not mean that you have AIDS, but that you are at significantly increased risk of developing AIDS or AIDS-related conditions. Federal authorities say that persons who are HIV antibody/antigen positive should be considered infected with the AIDS virus and capable of infecting others.

Positive HIV antibody or antigen test results or other significant blood abnormalities will adversely affect your application for insurance. This means that your application may be declined, that an increased premium may be charged, or that other policy changes may be necessary.

I have read and I understand this Notice and Consent For Blood Testing Which May Include HIV Antibody/Antigen Testing. I voluntarily consent to the withdrawal of blood from me by needle, the testing of that blood, and the disclosure of the test results as described above.

I understand that I have the right to request and receive a copy of this authorization. A photocopy of this form will be as valid as the original.

I authorize Principal Life Insurance Company to send the result to the following physician or health care provider:

If your HIV test results are normal, no routine notification will be sent to you. If the HIV test results are other than normal, the Insurer will contact you. The Insurer may also contact you if there are other abnormal test results which, in the Insurer's opinion, are significant. The Insurer may ask you for the name of a physician or other health care provider to whom you may authorize disclosure and with whom you may wish to discuss the results.

Positive HIV antibody/antigen test results do not mean that you have AIDS, but that you are at significantly increased risk of developing AIDS or AIDS-related conditions. Federal authorities say that persons who are HIV antibody/antigen positive should be considered infected with the AIDS virus and capable of infecting others.

Positive HIV antibody or antigen test results or other significant blood abnormalities will adversely affect your application for insurance. This means that your application may be declined, that an increased premium may be charged, or that other policy changes may be necessary.

I have read and I understand this Notice and Consent For Blood Testing Which May Include HIV Antibody/Antigen Testing. I voluntarily consent to the withdrawal of blood from me by needle, the testing of that blood, and the disclosure of the test results as described above.

I understand that I have the right to request and receive a copy of this authorization. A photocopy of this form will be as valid as the original.

I authorize Principal Life Insurance Company to send the result to the following physician or health care provider:
