MODAL PREMIUM DISCLOSURE

Premium Payment Options: You pay for Your Policy by paying the premiums due in a timely manner. You have the right to choose one of the following premium payment modes: annually in one payment, semi-annual in two payments, quarterly in four payments, or monthly in twelve payments (each individual payment being a “Modal Premium Payment”). You may pay Your premiums monthly in twelve payments only by pre-authorized electronic transfer (EFT). If You choose a payment mode other than annual, You will pay additional charges for selecting that payment mode (the “Additional Payment Charges”). The chart below compares, for the first year of a policy with a \$1,000 annual premium, the total premium payments for each payment mode and the corresponding Additional Payment Charges that You would pay during the first year.

| First Year Cost Comparison of Additional Payment Charges for Alternative Premium Payment Modes | | | | |
|---|--|--|---|---|
| Premium Payment Mode | Number of Premium Payments per Year | Amount of Each Modal Premium Payment during the First Year (Including Additional Payment Charges) | Total of Modal Premium Payments during First Year (Including Additional Payment Charges) | Total Additional Payment Charge during the First Year (In Dollars) |
| Annual | 1 | \$1,000.00 | \$1,000.00 | \$0.00 |
| Semiannual | 2 | \$510.00 | \$1,020.00 | \$20.00 |
| Quarterly | 4 | \$260.00 | \$1,040.00 | \$40.00 |
| Monthly (EFT only) | 12 | \$90.00 | \$1,080.00 | \$80.00 |

Notice to Insured: Each Modal Premium Payment is a payment, in advance, for insurance coverage. Coverage continues until the next premium payment is due. You are under no contractual obligation to continue making premium payments. However, pursuant to the Premium Provisions of the Policy, the failure to pay a premium may result in the termination of your coverage.

Calculation of Modal Premium: The Modal Premium Payment amounts are calculated by multiplying the Annual Modal Premium by the applicable modal premium factor:

- > Annual - 1.00
- > Semiannual - .51
- > Quarterly - .26
- > Monthly (EFT only) - .09

As illustrated above, if paid on a Semiannual, Quarterly, or Monthly Premium Payment Mode, your total premiums will be higher than if you made a single payment using the Annual Premium Payment Mode.

NEW YORK MINIMUM STANDARDS AND THE BENEFITS UNDER THIS POLICY

WHY THIS POLICY IS CALLED NURSING HOME AND HOME CARE INSURANCE

As described below, there are a several titles given to policies that provide coverage for long term care services in the State of New York. We chose to meet the Nursing Home and Home Care Insurance standards because they allow Us to provide comprehensive coverage with the greatest flexibility in plan selection. In all instances the coverage provided by this Policy is intended to meet the Federal and State requirements for tax qualified long term care insurance.

THE MINIMUM STANDARDS

New York State has established minimum standards for insurance policies covering long term care services. There are four different classifications for these policies. They are:

- > **Home Care Insurance Only** which must provide at least 12 consecutive months of coverage of custodial care services of at least \$25 per day in a private home.
- > **Nursing Home Insurance Only** which must provide at least 12 consecutive months of coverage of custodial care services of at least \$50 a day while confined in a nursing home.
- > **Nursing Home and Home Care Insurance** which combines the benefits of "Nursing Home Insurance Only" and "Home Care Insurance Only". These policies cover, for at least a period of 12 consecutive months, the following benefits:
 - Coverage of custodial care services of at least \$50 a day while confined in a nursing home. AND
 - Coverage of custodial care services of at least \$25 per day in a private home.
- > **Long Term Care Insurance** which provide, for at least 24 consecutive months, the following coverage:
 - Coverage of all levels of care in a nursing home of at least \$100 per day for policies sold in the New York City Area (the counties of Bronx, Kings, Nassau, New York, Queens, Richmond, Suffolk, Rockland and Westchester); and \$70 per day for all other parts of New York State. AND
 - Coverage of home care of at least 50% of the daily indemnity amount provided for care in a nursing home.

As alternatives to the above, payment under Long Term Care Insurance policies can be based on a percentage of the covered Nursing Home and Home Care expenses; and may vary coverage levels based on the use of providers contracted with the insurer.

POLICY BENEFITS BEYOND THE MINIMUMS

In addition to the plan choices available at the time of application, this Policy gives You the flexibility to utilize the following additional coverages which go beyond New York's minimum standards:

- > The Privileged Care Coordination Services.
- > Home Care Benefits for: (1) the services of an independent Nurse or therapist who is not provided by a home care services agency; and (2) Adult Day Care; and (3) Hospice Care.
- > The Assisted Care Facility Benefit.
- > The Respite Care Benefit.
- > The Caregiver Training Benefit.
- > The Equipment Benefit.
- > The Bed Reservation Benefit.
- > The Supplementary Benefit.

MANAGING YOUR USE OF BENEFITS BASED ON THE MINIMUM STANDARDS

If You choose to use any of those additional coverages available under this Policy (and You may decide not to do so), they count against Your Lifetime Maximum and, in some instances, Your other payment limits. As a result, such payments could reduce the number of days for which You are eligible to claim benefits that would fall within the New York defined minimum benefit package.

SHARED COVERAGE PROVISIONS

Applicable when this Policy insures a couple who are named as Insureds in the Schedule.

COVERAGE PROVISIONS

When more than one person is shown as an Insured in the Schedule:

- > All references to “You” in this Policy and any attached Riders will apply equally to each Insured. We will, however, send general correspondence and billing notices to the Policyholder. In the event one Insured dies, the survivor will become the Policyholder.
- > Each Insured is covered for all of the Benefits and services of this Policy. The Lifetime Maximum will be shared and the Waiver of Premium Benefit will apply as described below. The Elimination Period and all other maximums and limits determined from the Schedule for each Benefit will apply separately to each Insured.
- > **Sharing the Lifetime Maximum:** Subject to the minimum Lifetime Maximum requirements described below, the Lifetime Maximum will be shared and will be exhausted by the combined benefit payments made on behalf of both Insureds.
- > **Dual Waiver of Premium:** The Waiver of Premium Benefit will apply to all premiums, not just the premium attributed to the Insured who is receiving benefits for which premium waiver is provided.
- > Both Insureds must sign requests to change coverage, cancel, or convert this Policy.
- > There is a ***Per Person Lifetime Maximum*** as described below.

PER PERSON LIFETIME MAXIMUM

When this Policy covers a couple We are required by law to ensure that it provides each person with coverage for at least 12 months. This means that while each person’s benefits may draw upon the Lifetime Maximum, no one Insured may receive more than the amount equal to the Lifetime Maximum reduced by the equivalent of one year’s benefits (365 times the Daily Maximum).

Whenever benefits equal to this per person maximum become payable for either Insured:

- > that Insured shall cease to be eligible for further benefits under this Policy; but
- > this Policy may remain in force for the other Insured until the Lifetime Maximum has been exhausted.

CONTINUATION ON DEATH OF ONE INSURED

If one Insured dies the surviving Insured may continue this Policy. Upon receipt of due proof of death, future premiums for this Policy will be reduced to 125% of the premium applicable to the survivor’s portion of the Policy premium. The Lifetime Maximum will not be affected.

LIMITED CONVERSION OPTION

When a couple's relationship terminates due to divorce, annulment, or final separation, they can either: continue sharing coverage under this Policy; or either one can request that this Policy be converted to 2 individual policies so that each Insured would be in the same position as if he or she had been issued a separate policy with the same effective date as this Policy. Evidence of insurability is not required for either Insured. Conversion to individual policies is subject to the following conditions:

- > This Policy can be converted if the Insured requests the conversion in writing.
- > Except as provided herein, this Policy and an Insured's converted policy will be identical to the extent that this Policy applied to the Insured. The converted policy will have the same Policy Effective Date as this Policy; and will show an original Lifetime Maximum equal to one-half the original Lifetime Maximum of this Policy minus any benefits paid to that Insured. If an Insured has not received any benefits, he or she will receive at least 12 months of coverage under the converted policy.
- > One-half the total amount of all benefits paid under this Policy, and not restored by any Restoration of Benefits Rider, will be deemed to have been paid as benefits under each Insured's converted policy.
- > With each converted policy We will provide a statement of:
 - The current Lifetime Maximum (reflecting any Benefit Increases and other changes to the original Lifetime Maximum);
 - Benefit payments deemed paid under the converted policy; and
 - The amount of unused benefits available as of the date of conversion.
- > Premiums for each converted policy will be due beginning on the next premium due date for this Policy. Premiums will be based on the Insured's original issue age and original Rate Classification (as shown in the Schedule).

THE POLICY TAKING EFFECT AND REMAINING IN FORCE

EFFECTIVE DATE AND CONSIDERATION

This Policy is issued based on: the statements made in its application; and payment of the First Premium shown in the Schedule. It takes effect on the Effective Date shown in the Schedule. It can be continued in force by the timely payment of premiums until it terminates.

POLICY TERMINATION

This Policy will terminate on the earlier of:

- > The end of the period for which premium has been paid, subject to the Grace Period and Unintentional Lapse Protection provision;
- > The date benefit payments exhaust the Lifetime Maximum, as described in the Schedule;
- > The date this Policy is cancelled;
- > If there is more than one Insured, the date this Policy is converted due to legal divorce, annulment, or final separation; or
- > The date You die, except that if there is more than one Insured, the date the last surviving Insured dies.

NOTE: If a couple are Insureds under this Policy, one of the Insureds will cease to be eligible for further benefits under this Policy when he or she exhausts the Per Person Lifetime Maximum. See the Shared Coverage Provisions on page 7.

YOUR RIGHT TO CANCEL THIS POLICY AT ANY TIME

You may cancel this Policy at any time by sending Us written notice signed by every Insured. This Policy will be cancelled as of the date We receive the cancellation notice, or any later date stated in the notice. We will refund to the Policyholder the unearned portion of any premium paid.

EXTENSION OF BENEFITS

Termination of this Policy will not affect any claim for benefits payable under the Policy if eligibility for those benefits or total disability begins while this Policy is in force and continues without interruption after termination. For the purposes of this provision, You must give Us proof, in the form of a Current Eligibility Certification, which demonstrates, based on information from care providers, personal physicians and other Licensed Health Care Practitioners, that the Covered Care is needed due to Your continually meeting the Eligibility for the Payment of Benefits requirements of the Policy.

This Extension of Benefits, beyond the period the Policy was in force, is subject to the Elimination Period, Lifetime Maximum and all other applicable provisions of this Policy. It ceases:

- > For benefits payable under the Nursing Home Benefit, the Assisted Care Facility Benefit, the Bed Reservation Benefit, and the Supplementary Benefit, when a period of 180 days elapses during which You have not incurred expenses covered by any of those Benefits; and
- > With respect to Home Care benefits, when a period of 12 months elapses from the date of termination of this Policy.

In no event will the total amount payable under the Policy and Extension of Benefits provision exceed the Lifetime Maximum.

- > Requiring Substantial Supervision to protect the person from threats to health and safety due to Severe Cognitive Impairment.

A *Current Eligibility Certification* is a Licensed Health Care Practitioner's written certification, made within the preceding 12-month period, that You meet the above requirements for being a Chronically Ill Individual.

Substantial Assistance is either:

- > **Hands-on Assistance**, which is the physical assistance (minimal, moderate or maximal) of another person without which You would be unable to perform the Activity of Daily Living; or
- > **Standby Assistance**, which is the presence of another person within arm's reach of You that is necessary to prevent, by physical intervention, injury to Yourself while You are performing the Activity of Daily Living.

Severe Cognitive Impairment is a loss or deterioration in intellectual capacity that:

Substantial Supervision is continual supervision (which may include cueing by verbal prompting, gestures, or other demonstrations) by another person that is necessary to protect the severely cognitively impaired person from threats to his or her health or safety (such as may result from wandering).

A **Plan of Care** is a written, individualized plan for care and support services for You that:

- > Has been developed as a result of an assessment and incorporates any information provided by Your personal physician; and

The Plan of Care must be updated as Your needs change. We must receive a copy of the Plan of Care upon its completion and each time it is updated. We retain the right to request periodic updates not more frequently than once every 30 days. We will make a copy of the current Plan of Care available to Your personal physician. No more than one Plan of Care may be in effect at a time.

PAYMENT LIMITATIONS

Payment of this Benefit is subject to: the Lifetime Maximum; the Elimination Period; a payment minimum of \$25 for each day on which You receive Covered Care for which this Benefit is payable; and the payment limits determined from the Schedule for this Benefit. - > We will not pay to train someone who will be paid to care for You.

PAYMENT LIMITATIONS

Payment of this Benefit is subject to: the Lifetime Maximum; and the payment limits determined from the Schedule for this Benefit.

Payment of this Benefit is not subject to, and days of Covered Care under it cannot be used to satisfy, the Elimination Period.

NURSING HOME BENEFIT

THE BENEFIT

We will pay for expenses You incur for care and support services (including room and board, but not prescription drugs) provided by a Nursing Home while You are confined there as a resident inpatient.

This includes expenses for: private duty nursing care provided by a Nurse who is not employed by the facility; and all levels of care (including skilled, intermediate and custodial care) provided by the Nursing Home. The expenses must be consistent with the level of charges normally made for other inpatients receiving similar care in that facility.

DEFINITION

A *Nursing Home* is a facility, not excluded below, that is engaged primarily in providing continual (24 hours-a-day, every day) nursing care to all of its residents or inpatients in accordance with the authority granted by a license issued by the federal government or the State in which it is located. Such nursing care must be performed by or under the direct supervision of a Nurse; the facility must employ at least one full-time Nurse; and a Nurse must be on duty or on call in the facility at all times.

If a facility has multiple licenses or purposes, a separate portion, ward, wing or unit thereof can qualify as a Nursing Home only if that portion, ward, wing or unit is engaged primarily in providing such nursing care in accordance with the authority granted by its license.

Excluded Places: The definition of a Nursing Home does NOT include any of the following:

- > A hospital or clinic.
- > A sub-acute care or rehabilitation hospital or unit.
- > A place that operates primarily for the treatment of alcoholism, drug addiction, or mental illness.

ASSISTED CARE FACILITY BENEFIT

THE BENEFIT

We will pay for expenses You incur for care and support services (including room and board, but not prescription drugs) provided by an Assisted Care Facility while You are confined there as a resident inpatient. The expenses must be consistent with the level of charges normally made for other resident inpatients receiving similar care in that facility.

DEFINITION

An *Assisted Care Facility* is a facility, not excluded below, that satisfies the Conditions below and is engaged primarily in providing continual (24 hours-a-day, every day) assistance and supervision to at least 10 resident inpatients (or to the minimum number of resident inpatients required by the applicable facility licensing requirements of the State in which the care is provided) due to their inability to perform Activities of Daily Living or Severe Cognitive Impairment.

Conditions: To satisfy this definition, such facility (e.g., assisted care, assisted living, or Alzheimer's dementia care facility) must at all times:

- > Provide such care and services under a license, certificate, or substantially similar permit and oversight from the federal government or the State in which it is located; OR
- > Provide such care and services in accordance with all applicable laws; and continuously meet all of the following requirements:
 - It maintains records for all care and services provided to each resident inpatient;
 - It has an awake employee on duty in the facility who is trained and ready to provide its resident inpatients with scheduled and unscheduled care and services sufficient to support needs resulting from inability to perform Activities of Daily Living or Severe Cognitive Impairment;
 - It has an awake employee who is aware of the whereabouts of the resident inpatients;
 - It provides, at a minimum, assistance with Bathing and Dressing;
 - It provides 3 meals a day and accommodates special dietary needs;
 - It has formal arrangements with a duly licensed physician or Nurse to furnish medical care and services in case of an emergency; and

- > A hospital or clinic.
- > A Nursing Home.
- > A sub-acute care or rehabilitation hospital or unit.
- > A place that operates primarily for the treatment of alcoholism, drug addiction, or mental illness.
- > Your Home or place of residence in an area used principally for independent residential living (including, but not limited to, hotels, motels, retirement homes, boarding homes and adult foster care facilities).
- > A substantially similar adult residence establishment or environment.

If a facility has multiple licenses, certifications, purposes, or locations, a separate portion, ward, wing, unit or location thereof can qualify as an Assisted Care Facility only if it is engaged primarily in providing care that satisfies the above definition.

PAYMENT LIMITATIONS

Payment of this Benefit is subject to: the Lifetime Maximum; the Elimination Period; and the payment limits determined from the Schedule for this Benefit.

BED RESERVATION BENEFIT

THE BENEFIT

We will continue to pay benefits, or give Elimination Period credit, under the Nursing Home Benefit and the Assisted Care Facility Benefit while You:

- > Are temporarily absent during a stay in a Nursing Home or Assisted Care Facility; and
- > Are charged to reserve Your accommodations in that facility.

The temporary absence can be for any reason. This includes, but is not limited to, a hospital stay, or spending holidays or other time with Your family.

PAYMENT LIMITATIONS

This Benefit is subject to the Lifetime Maximum and will apply to no more than the number of days (continuous or not) determined from the Schedule for this Benefit.

SUPPLEMENTARY CARE BENEFIT

For expenses not otherwise covered. Prior approval by Us is required.

THE BENEFIT

We will pay for expenses You incur for care, treatment, services, supplies or other items not specifically covered by another Benefit of this Policy when all of the following conditions are met:

- > They are clearly specified in Your Plan of Care.
- > You, Your personal physician and We mutually agree that they are cost-effective alternatives to Benefits specifically available under this Policy.
- > They are for qualified long term care services as defined in Section 7702B(c) of the Internal Revenue Code.
- > They are incurred while such mutual agreement is in effect.
- > They are incurred while Your insurance is in force under this Policy.

Agreement to use these alternatives will not waive any of the rights You or We have under this Policy. The agreement may be discontinued at any time without affecting Your right to the Benefits otherwise available under this Policy.

Examples include, but are not limited to:

- > In-Home safety devices.
- > Community-based services that provide meals in the Home for disabled individuals (such as Meals on Wheels).
- > Equipment in Your Home that is not covered under the Equipment Benefit.
- > Rental or lease of emergency medical response devices.
- > Other services designed to help You remain at Home.

PAYMENT LIMITATIONS

The agreement will state how payment is affected by the Elimination Period. It will also state any time and payment maximums. Payment of this Benefit is also subject to: the Lifetime Maximum; and all other provisions and conditions of this Policy.

WAIVER OF PREMIUM BENEFIT

THE BENEFIT

We will waive the premium payments for each coverage month that begins after You have satisfied the Elimination Period and during a period for which benefits are paid or payable under:

- > the Nursing Home Benefit; or
- > the Assisted Care Facility Benefit; or
- > the Home Care Benefit.

This waiver applies to the entire premium for this Policy and all attachments.

PAYMENT LIMITATIONS

This Benefit stops when You cease to receive Covered Care during any period for which benefits are paid under the Nursing Home Benefit, the Assisted Care Facility Benefit, or the Home Care Benefit.

This Benefit will also stop if a couple are covered under the Policy and the Insured who is receiving Covered Care that qualifies the Policy for a premium waiver: exhausts his or her maximum allowable benefits; and ceases to be eligible for further benefits under this Policy.

When this Benefit stops, We will give credit for any premium paid for periods during which the waiver applied, against future premiums when due. You will then be required: to pay the remaining premiums due in accordance with this Policy's previous premium payment mode; and to continue to make future premium payments as they become due.

EXCLUSIONS AND LIMITATIONS

EXCLUSIONS

No payment will be made for any expenses incurred for any room and board, care, treatment, services, equipment or other items:

- > Provided by an Immediate Family Member, unless:
 - The Immediate Family Member is a regular employee of the organization that is providing the services; and
 - Such organization receives payment for the services; and
 - The Immediate Family Member receives no compensation other than the normal compensation for employees in her or his job category.
- > For which no charge is normally made in the absence of insurance.
- > Provided outside of the United States of America, its territories and possessions.
- > Provided by or in a Veterans Administration or federal government facility, unless a valid charge is made to You or Your estate.
- > Resulting, directly or indirectly, from:
 - War or act of war, whether declared or not.
 - Attempted suicide or an intentionally self-inflicted injury.
 - Your alcoholism or addiction to drugs or narcotics; but not addiction that results from the administration of those substances in accordance with the advice and written instructions of a duly licensed physician.

Note: We will pay benefits for mental illness and Alzheimer's disease, subject to the same exclusions, limitations and provisions otherwise applicable to other Covered Care under this Policy.

NON-DUPLICATION

Subject to the Lifetime Maximum and payment limits determined from the Schedule, benefits will be paid only for expenses for Covered Care that are in excess of the amount paid or payable under Medicare (including amounts that would be reimbursable but for the application of a deductible or coinsurance amount) and any other federal, state or other governmental health care program or law (except Medicaid). However, this Non-Duplication provision will not disqualify an expense for Covered Care from being used to satisfy the Elimination Period.

CLAIMS PROVISIONS

Let Us know once it appears You may be a Chronically Ill Individual, and then follow these procedures.

YOUR DUTIES IN THE EVENT OF A CLAIM

In case of a claim for benefits under the Policy, You or Your Representative must:

- > Notify Us of a claim as outlined below.
- > As often as We reasonably require:
 - Provide Us with records and documents We request and permit Us to make copies; and
 - Provide Us with a Recorded Statement or submit to an Examination Under Oath when and as required by Us in connection with any claim submitted on Your behalf.

A “Recorded Statement” is a telephone or personal interview which is recorded. An “Examination Under Oath” is a formal proceeding during which the person, under oath and in the presence of a court reporter, is questioned by Our representative regarding the presented claim.

YOUR ROLE IN THE CLAIMS PROCESS

Early awareness by Our Claims Department will facilitate a timely claim review. You can help Us greatly in the claims process and at the same time begin early planning of Your Covered Care, by contacting Us as soon as it appears You may be a Chronically Ill Individual.

Let Us know if You choose to use the services of a Privileged Care Coordinator. When You do that We will make arrangements for a coordinator to contact You immediately and begin providing You with Privileged Care Coordination Services. Of course, Your Representative can also contact Us.

ASSISTANCE IN COMPLETING CLAIM FORMS

You may call Us if You need any type of assistance during any phase of the claim process. When You use a Privileged Care Coordinator, We will work with that person to ensure that We understand Your condition, the prescribed Plan of Care, and any care and support services received.

TELLING US ABOUT A CLAIM

Notice of Claim: We must be notified when You have a claim. The notice can be given to Us at Our Administrative Office or to Our agent. It must be received within 30 days of the date the covered loss starts, or as soon as reasonably possible. Include in the notice at least: Your name; the Policy Number (as shown in the Schedule); and an address to which the claim forms should be sent.

Claim Forms: When We get notice of claim We will send out the necessary forms to be used to file proof of loss.

The forms will tell You how to complete them and where to send them. Read them carefully. Answer all questions and send all required information to the address on the forms. This will assist Us in the evaluation of the claim so that We can determine the benefits for which You are eligible.

If You or Your Representative do not get the necessary claim forms from Us within 15 days, proof of loss can be filed without them by sending Us a letter which describes the occurrence, the character and the extent of the loss for which Your claim is made. That letter must be sent to Us at Our Administrative Office within the time period stated in the next paragraph.

Proofs of Loss: When this Policy provides for payment for continuing loss, written proof of the loss must be given to Us within 90 days after the end of each monthly period for which benefits may be payable. For any other loss, written proof must be given to Us within 90 days after such loss. If it was not reasonably possible to give Us written proof in the time required, We shall not reduce or deny a claim for being late if the proof is filed as soon as reasonably possible. Unless the claimant is not legally capable, the required proof must always be given to Us no later than 1 year from the time specified.

OUR EVALUATION CRITERIA; AND THE CLAIMS PAYMENT PROCESS

How We Evaluate Claims: We will obtain information about You by working with You and Your personal physician. We will also consult with any Licensed Health Care Practitioners, agencies and other care providers You used. We will then review that information to determine eligibility for benefits. We reserve the right, as part of the review and at Our expense, to do an assessment or a physical examination of You. Similar reviews may be required, at reasonable intervals, to determine eligibility for continued benefits. We may use outside services to assist in evaluating Your condition.

On an on-going basis, We must receive updates to Your Plan of Care and Current Eligibility Certifications. We will also need a copy of Your Medicare Explanation(s) of Benefits (or similar form for other plans and programs subject to the Non-Duplication provision) to determine which expenses (if any) are excluded from coverage.

Physical Examinations: At Our expense, We have the right to require a medical examination when a claim is made and at reasonable intervals while continued benefits are being claimed.

Time of Payment of Claim: After We receive the proper written proof of loss, We will pay any benefits then due immediately; and at the end of each monthly period thereafter, when the loss is expected to result in on-going benefits.

Payment of Claims: Benefits will be paid to You. Any benefits unpaid at Your death may be paid to Your estate.

If benefits may be paid to Your estate, We may pay a portion of those benefits, up to \$1,000, directly to someone related to You by blood or marriage who is deemed by Us to be justly entitled to the benefits. We will be discharged to the extent of any such payment made in good faith.

We may pay all or a portion of any benefits for care or services You receive to the provider of the care or services, unless You direct Us to do otherwise in writing by the time proofs of loss are filed. We do not require that a particular provider provide the care or services.

Assignment of Claims: Subject to any written direction by You in the application or otherwise, all or a portion of any indemnities provided by this Policy on account of nursing services may, at Our option and unless You request otherwise in writing not later than the time of filing proofs of such loss, be paid directly to the facility or person rendering such services; however, it is not required that the service be rendered by any particular facility or person.

Right to Recover Overpayments: If We make payments which are in excess of the benefits payable under the Policy, We have the right to recover such excess from:

- > any person to whom, or for whom, or with respect to whom, such payments were made;
- > any organization which should have made such payments; and
- > future benefit payments, if any.

We will have the right to recover any benefits paid in error and any benefits paid as a result of fraudulent claims.

APPEALING A CLAIM DECISION

We will inform You in writing if a claim, or any part of a claim, is denied.

Appeal Process: If You believe that Our decision on a claim is in error You may appeal; and We will reconsider the claim. If You wish to make such an appeal, You must send Us a brief note (no special form needed) that tells Us why You feel We should change Our decision. You may authorize someone else to act for You in this appeal process.

The note should include the names, addresses and phone numbers of any providers You think We should contact to learn more about the health and the care received by the person on whose behalf the claim was made. This would include the physicians, health care professionals and other care providers who treated You; and the facilities from which You received care, treatment, services, equipment or other items.

We will provide You with a written explanation of the reasons for any claim denial and make available all information directly related to that denial within 60 days of the date of any written claims appeal. We will immediately pay any benefits due as a result of Our reconsideration.

Legal Actions: You cannot sue on any claim before 60 days after proof of claim has been given to Us as required by this Policy. You cannot sue after 3 years from the time the written proof of loss is required to be given.

BASIC CONTRACT PROVISIONS

THE CONTRACT

Entire Contract; Changes: The entire contract between You and Us is as stated in this Policy, Your application and any papers We attach. No change in this Policy will be effective until approved by one of Our officers. That approval must be noted on or attached to this Policy. No agent has the authority to change this Policy or waive any of its provisions.

CONTESTING COVERAGE

Incontestability; Time Limit on Certain Defenses: We issued this Policy based on information We were provided. Any incorrect or omitted material information in Your application may cause this Policy to be rescinded (voided) or a claim to be denied.

Misstatements in the Application: If there has been a misrepresentation, We may rescind (void) this Policy or deny an otherwise valid claim:

- > During the first 6 months this Policy is in force, if the misrepresentation was material to the acceptance of You for coverage; and
- > While this Policy has been in force for at least 6 months but less than 2 years, if the misrepresentation is both: material to the acceptance of You for coverage; and pertains to the conditions for which benefits are sought.

After this Policy has been in force for 2 years it will not be contestable upon the grounds of misrepresentation alone; and may be contested only upon a showing that You knowingly and intentionally misrepresented relevant facts relating to Your health.

If We pay any benefits under this Policy, the benefit payments will not be recovered by Us in the event this Policy is rescinded.

Pre-Existing Conditions: Except as permitted above, We will not reduce or deny any claim under this Policy because of a sickness or physical or medical condition that existed before this Policy's Effective Date.

OTHER PROVISIONS

Misstatement of Age: If Your age was misstated in the application for this Policy, We will pay the benefits that the premiums paid would have purchased at Your true age. If, based on that true age, this Policy would not have become effective, We will only be liable for the refund of all premiums paid for this Policy.

Governing Jurisdiction; Conformity with Statutes: The laws of the State of New York govern this Policy. Any provision of this Policy which is in conflict with the statutes of such state, is hereby changed to conform with the minimum requirements of those statutes.

Time Periods: All time periods begin and end at 12:01 a.m. at Your residence.

Non-Participating; Dividends Not Payable: This Policy does not participate in Our profits or surplus earnings; has no cash values; and will not pay dividends at any time.

No Cash Values, Borrowing, or Use as Collateral: This Policy does not provide for a cash surrender value, or other money that can be: borrowed; or paid, assigned or pledged as collateral for a loan.

Communications Through Electronic Means and other Technologies: Other than written communications, We reserve the right to designate the form and means of all communications, notices or proofs required by the Policy. If we agree, You may contact Us about Your Policy using electronic means or other technologies. If You agree, We may contact You regarding the Policy using electronic means or technologies. Except where prohibited by state or federal law, electronic communication is equal to other communication methods. Information exchanged has the same legal effect, validity and enforceability.

PREMIUM PROVISIONS

PAYING PREMIUMS

Due Dates: The Premium Payment Mode shown in the Schedule states how often premiums are to be paid. After the First Premium, each premium is due at the end of the period for which the prior premium was paid.

Currency: All payment by or to Us will be in the lawful money of the United States of America. Any foreign exchange rate will be as determined by Us.

Unpaid Premiums: When a claim is paid, any premium due and unpaid will be deducted from the claim payment.

Refund of Premiums Paid Beyond Your Death: If the Policy terminates due to Your death, We will refund the pro rata portion of any premium paid for a period after Your death. The refund will be made within 30 days of Our receipt of written notice of Your death. It will be paid to Your estate.

Limitations on the Refund of Premiums: All refunds of premium or similar amounts under this Policy shall be applied as a reduction in future premiums or to increase future benefits. This does not apply to any refund on: Your death; a complete surrender of this Policy; or cancellation of this Policy.

WHAT HAPPENS WHEN PREMIUMS ARE NOT PAID

Grace Period and Unintentional Lapse Protection: A grace period of 31 days will be granted for the payment of each premium falling due after the first premium, during which grace period this Policy shall continue in force before it lapses.

You have the right to designate someone else to receive notice of lapse or termination of this Policy for nonpayment of premium. Your Policy will not lapse or be terminated for nonpayment of premium unless We, at least 30 days before the effective date of the lapse or termination, have given notice to You and to those persons designated by You for the purposes of receiving notice of lapse or termination. Notice will be given by first class United States mail, postage prepaid; and notice may not be given until 30 days after a premium is due and unpaid. Notice shall be deemed to have been given as of five (5) days after the date of mailing.

Your application shows whom You have designated to receive these notices. At any time You can direct Us, in writing, to change Your designation and send the notices to someone else.

Reinstatement: This Policy will terminate if a renewal premium is not paid on time.

Later acceptance of all past due premiums by Us (or by an agent duly authorized by Us to accept such payment) without requiring an application for reinstatement will reinstate this Policy as of the date of premium acceptance.

If We or Our duly authorized agent require an application for reinstatement, and give You a conditional receipt for the premium, this Policy will be reinstated upon either: Our approval of the application; or, lacking such approval, the 45th day after the date of the conditional receipt, unless We give You prior written notice of Our disapproval of the application.

The reinstated policy will cover only expenses incurred as a result of covered losses that begin after the date of reinstatement. In all other respects Your rights and Our rights will remain the same; subject to any provisions noted on or attached to the policy as reinstated.

Continuation for Lapse due to Alzheimer's Disease and Other Forms of Cognitive or Functional Impairment: We will provide a retroactive continuation of coverage if:

- > This Policy terminates due to non-payment of premiums (lapse); and
- > Within 7 months after termination We are given proof that You met the Eligibility for the Payment of Benefits requirements of this Policy.

We must receive proof of Your impairment or incapacity and all past-due premiums within that 7-month period. Any benefits for which You qualified during the continuation period will be paid to the same extent they would have been paid if this Policy and its riders had remained in force from the date of termination.

Right to Reduce Coverage and Lower Premiums: You have the right to reduce Your future premiums at any time by requesting that We delete an optional Benefit for which an additional premium is charged, or by decreasing Your Daily Maximum or Lifetime Maximum amounts under the Policy. We may limit any reduction in coverage to plans or options available for this Policy form and those for which benefits would be available after consideration of claims paid or payable. The premium for the reduced coverage will be based on You're the age used to determine the premiums for the coverage in force. The reduced coverage will become effective as of the date the next premium is due following the date We receive Your written request, or a later premium due date specified in Your written request. If You request a decrease in coverage, You will not be required to provide proof of insurability.

NONFORFEITURE BENEFIT RIDER

This Rider adds the following Nonforfeiture Benefit to the Benefit Provisions of the Policy.

NONFORFEITURE BENEFIT

THE BENEFIT

If the Policy terminates due to default in any premium payment (lapses) after the Policy has been in force for at least 3 years, the Policy will continue automatically with a reduced Lifetime Maximum. It will have the same Benefits, Elimination Period and other payment limits that were in effect at the time of lapse. These limits will not change thereafter. The amount of Your reduced Lifetime Maximum will be the greater of:

- > The maximum benefit amount applicable, at the time of default or lapse, under the Nursing Home Benefit for one month (30 days); or
- > 100% of the sum of all premiums actually paid and attributed to You for Your insurance under the Policy and any attached forms, including premiums paid prior to any change in benefits.

It will not be reduced by any benefits paid or payable for expenses incurred prior to the date of lapse.

The Policy will then be in a paid up status; with no further premium payments being required.

PAYMENT LIMITATIONS

WAIVER OF HOME CARE ELIMINATION PERIOD RIDER

This Rider: (1) waives the Elimination Period for the Home Care Benefit; (2) counts Home Care Benefit days toward satisfying the Elimination Period when a Plan of Care from a Privileged Care Coordinator is used; and (3) enhances the Waiver of Premium Benefit.

The following Benefits are added to the Policy. The Enhanced Waiver of Premium Benefit replaces the Waiver of Premium Benefit in the Policy.

BENEFIT REMOVING THE HOME CARE ELIMINATION PERIOD

THE BENEFIT

The Elimination Period of the Policy is changed so that it:

- > Applies only to the Nursing Home Benefit and the Assisted Care Facility Benefit; and
- > Does not apply to the Home Care Benefit; and
- > Can also be satisfied by days for which You receive payment under the Home Care Benefit in accordance with a Plan of Care from a Privileged Care Coordinator.

ENHANCED WAIVER OF PREMIUM BENEFIT

THE BENEFIT

We will waive the premium payments for each coverage month that begins during a period for which benefits are paid or payable under either:

- > The Nursing Home Benefit or the Assisted Care Facility Benefit (after satisfying the Elimination Period);
- > The Home Care Benefit in accordance with a Plan of Care developed by a Privileged Care Coordinator (for which no Elimination Period is required); or
- > The Home Care Benefit after satisfying a qualifying period which is equal to the number of days in the Elimination Period stated in the Schedule. In determining when the qualifying period has been satisfied we will count:
 - Days used to satisfy the Elimination Period that occur while You are confined in a Nursing Home or Assisted Care Facility; and
 - Days for which the Home Care Benefit is paid.

This waiver applies to the entire premium for this Policy and all attachments.

PAYMENT LIMITATIONS

This waiver stops when You cease to receive Covered Care during a period for which benefits are paid under the Nursing Home Benefit, the Assisted Care Facility Benefit, or the Home Care Benefit.

This Benefit will also stop if a couple are covered under the Policy and the Insured who is receiving Covered Care that qualifies the Policy for a premium waiver: exhausts his or her maximum allowable benefits; and ceases to be eligible for further benefits under this Policy.

When the Benefit stops, We will give credit for any premium paid for periods during which the waiver applied, against future premiums when due. You will then be required: to pay the remaining premiums due in accordance with the Policy's previous premium payment mode; and to continue to make future premium payments as they become due.

RIDER PROVISIONS

When this Rider is in Force: This Rider has been issued based on Your application and payment of the required premium. It takes effect on the Effective date of the Policy. It may be continued as long as: the Policy is in force; and the required premium has been paid.
